**TACKLING TABOOS:
3 WOMEN TALK
SEX, POLITICS & RELIGION IN
WRITING**

Three Ottawa writers Sandra Nicholls, Jasmine Aziz and Nerys Parry will read from their books and talk about those topics “one doesn’t discuss at dinner” and how they have influenced their writing. These 3 dynamic women will boldly share their views on the controversial issues explored in their novels, and talk about why telling an honest story – no matter how taboo - is important to us all.
